

PRESS RELEASE

Liburnia Projects & Chartering for smooth and professional services in Maritime industry

With well over 15 years of close cooperation and an equal number of years experience in the field of Projects & Chartering, **Liburnia Maritime Agency** and **Karim Thys** have decided now is the time to join forces and start-up an independent Brokerage company to serve the Maritime industry.

The new company, **Liburnia Projects & Chartering** will be located in Breda, only half an hour away from Antwerp and Rotterdam - two of Europe's main ports and well connected with the rest of Europe and the World.

The goal of the company is to provide customers clear and comprehensive solutions for their transportation needs which are available in the charter market. Deep know how of the market, shipowners, technical, documentary and legal processes is a guarantee of smooth and professional services.

With such knowledge the company is ready to advise their customers the most beneficial solutions for them, having the focus, not only on the cheapest rate, but also on safety

of the valuable cargo with top service.

Liburnia Projects & Chartering is able to independently broker customer's transportation needs or - case need - act as Charterers on their behalf. For this the company has an open Charterers Liability Cover in place.

Their business message is short and clear - avoid pitfalls and setbacks and Safely Anchor your Business with Liburnia Projects & Chartering!
