The project of the company "LIBURNIA Maritime Agency Ltd." from Opatija, specialized in the provision of services in maritime traffic, co-financed by the EU funds.

Company LIBURNIA Maritime Agency d.o.o. has contracted the non-refundable allocation of funds by the Ministry of Economy, Entrepreneurship and Trade for the project "Strengthening Business Competitiveness by Establishing an Integrated Quality, Environment and Security Management System". The total amount of the project is HRK 249,665.63, and the Ministry will allocate HRK 144,272.62.00 in the form of non-refundable funds.

The project "Strengthening Business Competitiveness by Establishing an Integrated Quality, Environment and Security Management System" refers to the introduction of an environmental management system in accordance with ISO 14001 and work safety system in accordance with ISO 45001, and the integration of these standards into a single quality, environment and safety management system with the already existing quality management system according to ISO 9001.

The company will be able to utilize and realize the detected potentials with the project concerned. This will directly affect the strengthening of international competitiveness, the company's market position and the achievement of long-term goals through improving the quality of existing services and business processes and increasing business efficiency. By increasing the use of recognized standards which contribute to customer trust, especially in areas of system quality improvement, the company will reach the applicable standards of internationally recognized quality levels and security in the exchange of goods and services.

All of this will be manifested by increasing business income and corporate exports, and thus increasing the number of employees.

The project was co-financed by the European Union from the European Regional Development Fund. The content of the publication is the sole responsibility of the company "LIBURNIA Maritime Agency Ltd.".
