

ABOUT PCW

Project Cargo Weekly (PCW) is an on-line newsletter that started in 2018. The editor is an industry veteran with experience dating back to 1980 in project, liner, air & sea, management and bulk shipping. PCW belongs to the CLC PROJECTS GROUP established in Hong Kong in 2012. PCW prides itself in having in-depth interviews with industry professionals and providing un-biased intelligence and reporting on the global shipping and project freight forwarding business.

MORE EYES ON YOU

Special

“An advertisement in PCW means getting the right eyes on you, the right attention and the right potential partners looking in your direction. More exposure means more business. Take your opportunity to capitalize on our huge, qualified reader base today!”
